NEW YORK, Jan. 6, 2022 /PRNewswire/ -- Transfix Inc. ("Transfix"), a leading, next-generation digital freight platform, today announced that the company has joined the United Nations Global Compact initiative — a voluntary leadership platform for the development, implementation, and disclosure of responsible business practices.

The UN Global Compact is a call to companies worldwide to align their strategies and operations with 10 universally accepted principles in the areas of human rights, labor, environment, and anti-corruption, and to take action in support of UN goals and issues embodied in the Sustainable Development Goals (SDGs).

"We are committed to building a better future for our industry, as well as for the millions of men and women that work across the supply chain," said Lily Shen, CEO and President, Transfix. "It is a true honor to join the UN Global Compact, as we continue to focus on driving and scaling sustainable practices throughout our business, and our sector at large. We look forward to working with more of our key partners across the industry- many of whom are doing incredible work already - to advance this critical cause."

Launched in 2000, the UN Global Compact is the largest corporate sustainability initiative in the world, with more than 9,500 companies and 3,000 non-business signatories based in over 160 countries, and more than 70 Local Networks.

Transfix's digital freight platform - powered by its proprietary technology, AI, and automation and underpinned with world-class operations - is transforming the traditional and digital freight sector, bringing together the world's best shippers and carriers, while delivering a transparent, trusted, and sustainable freight ecosystem.

As announced on September 21, 2021, Transfix has entered into a definitive business combination agreement with G Squared Ascend I Inc. ("G Squared Ascend I") (NYSE: GSQD), a special purpose acquisition company sponsored by affiliates of G Squared, that is expected to result in Transfix becoming a publicly listed company. Completion of the business combination is subject to customary closing conditions.

We encourage you to visit our profile on the UN Global Compact website.
